

Let Your Light Shine

G C D C G C D C

People walking round in this life with no reason to live

G C D C G C D C

Tell me whatever happened to the joy that you came to give

G C D C G C D C

You give us so many reasons just to keep a smile on our face

G C D C G C D C

But the very best one is the cross where you took my place

CHORUS:

G C D C

You gotta let your light shine

G C D C

It's gonna be alright

G C D C

If it's rain or sunshine

G C D C

Gotta let your light shine

Verse 2:

40 hour weeks got us down and we're living depressed

Tell where can we turn for a hope and some needed rest

You give us so many reasons just to keep a smile on our face

But the very best one is the cross where you took my place

Bridge:

G C D C G

Oh Let your light shine let your light shine let it shine

Let your light shine let your light shine let it shine
