

My Redeemer Lives

Who taught the sun where to stand in the morning?
Who told the ocean you can only come this far?
Who showed the moon where to hide 'til evening?
Whose words alone can catch a falling star?

Well I know my Redeemer lives
I know my Redeemer lives
All of creation testify
His life within me cries
I know my Redeemer lives / C / D

The very same God that spins things in orbit
He runs to the weary, the worn and the weak
And the same gentle hands that hold me when I'm broken
They conquered death to bring me victory

Now I know my Redeemer lives
I know my Redeemer lives
Let all creation testify
Let this life within me cry
I know my Redeemer, He lives ...

To take away my shame
And He lives forever, I'll proclaim
That the payment for my sin
Was the precious life He gave
But now He's alive and
There's an empty grave! (Chord shift) D / E
